

You're Almost There!

One More Step to Make Your Dream Home a Smart Home

Congratulations on your new home in Harvest!

As a forward-thinking community, each home in Harvest includes a first-class suite of Smart Home Products. These products are provided by your builder and installed by HomePro.

To schedule the install of your Smart Home System, please reach out to finalinstall@homeprotech.com or call 972-245-5777.

In addition, HomePro is pleased to offer premium technical support throughout Harvest for customers building new homes.

Our in-community technicians will happily warranty and service any of your HomePro-provided equipment complimentary for up to one year after you close on the home.

Our technicians are also available for various additional paid services, including: TV mounting, AV installations, configurations and more. Please contact your community technician about specific job pricing.

For homeowners whose warranty has expired, we will happily service at a discounted service rate of \$125/hour (billed in 15-minute increments).
