

Greetings Neighbor:

On behalf of Tarrant Area Food Bank, I'd like to welcome you to the community! TAFB has been a part of the Denton County community for more than 40 years and is committed to empowering our community to alleviate hunger and improve health.

Fighting hunger is an ongoing battle as the population grows and the economy expands and contracts. Each week, TAFB is able to provide over 1 million nutritious meals through a network of over 450 partners in our 13-county service area.

Harvest has been active in the fight against hunger for a little more than 10 years. Through food drives, Hoops 4 Hunger, fundraising events, Harvest has donated more than 300,000 meals...and counting. Residents also plant and harvest at least a thousand pounds of fresh produce each year for TAFB.

In addition to opportunities through Harvest, there are many ways to get involved with TAFB, whether you prefer volunteering at one of our Denton Mobile Markets or sorting food at our Main Campus. We'd like to invite you to view the multiple volunteer experiences at www.tafb.org and join us in the fight against hunger.

Also, by supporting the health of our neighbors, you'll help make sure more parents, children and older adults have a fair chance at a happy and fulfilling life, free from nutrition-related illness – and a healthier community for us all.

Please consider making a gift today to help make sure neighbors of all ages have nutritious food on the table this spring, and all-year round.

Together we can make a meaningful impact to ensure the Denton County community is a place where everyone has the food they need.

Sincerely,

Julie Butner
President & CEO
